

Dear Securityholder,

The Independent Review Committee of the NBI Funds was established in 2007 in accordance with National Regulation 81–107 Independent Review Committee for Investment Funds (“**Regulation 81–107**”). Effective January 15, 2019, its mandate was expanded to include the NBI Exchange-Traded Funds (“**NBI ETFs**”).

Under Regulation 81–107, the mandate of the Independent Review Committee of the NBI Funds and NBI ETFs (the “**IRC**”) is to review conflict of interest matters referred to it by National Bank Investments Inc., the manager of the NBI Funds and NBI ETFs. The IRC seeks to determine whether the manager’s proposed actions achieve a fair and reasonable result for the funds. As part of its duties, the IRC meets regularly and concludes each meeting *in camera*, without the presence of representatives of the manager or any other entity related to the manager.

This report provides information about the activities of the IRC for the period from January 1, 2023 to December 31, 2023.

At least annually, the IRC reviews and assesses the adequacy and effectiveness of the policies and procedures to deal with conflict of interest matters relating to the NBI Funds and the NBI ETFs, and also conducts a self-assessment of the IRC’s independence, compensation and effectiveness.

The members of the IRC look forward to continuing to work with the manager in the best interests of each of the NBI Funds and NBI ETFs.

“Norman Turnbull”
