

## ***Important Tax Notice to U.S. Unitholders of Fund***

### **NBI SmartData U.S. Equity Fund (the “Fund”)**

#### **Passive Foreign Investment Company (PFIC) Annual Information Statement For the tax year ending December 31, 2024**

This notice is provided to unitholders who are considered United States persons (“U.S. persons”) for purposes of the U.S. Internal Revenue Code of 1986, as amended (the “IRC”), and the regulations thereunder. The notice does not concern other unitholders. U.S. persons include U.S. citizens (whether or not they are U.S. residents), certain individuals with U.S. permanent resident status, U.S. corporations, and certain U.S. trusts and estates. Unitholders should consult with a U.S. tax specialist to determine their U.S. tax status.

Note that the Fund is classified as a Passive Foreign Investment Company (“PFIC”) as defined in Section 1297(a) of the IRC for the year ending December 31, 2024.

The PFIC Annual Information Statement (“PFIC AIS”) attached is provided pursuant to the requirements of the Code of Federal Regulations §1.1295-1(g)(1). The PFIC AIS contains reporting information enabling unitholders to make a tax election. Such a tax election allows the classification of the Fund as a qualified electing fund (“QEF”). Normally, unitholders who are considered U.S. persons and make a QEF election are required to include in their U.S. tax returns their prorated share of the ordinary earnings and net capital gains of the Fund, whether or not that Fund distributed any amounts to its unitholders. Unitholders should consult a professional before making a tax election based on their situation and completing the necessary forms to file a U.S. tax return.

To make a QEF election, unitholders must file Form 8621 - *Information Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund* as required by the U.S. Internal Revenue Service. A separate Form 8621 must be completed with respect to each fund for which the unitholder wishes to make the QEF tax election. Each form must be filed with the unitholder's U.S. income tax return by the mandatory deadline.

In the case of a National Bank Investments Inc. fund (“NBI Fund”) whose assets include units of another NBI Fund, the owner must complete a separate Form 8621 for that other indirectly held NBI Fund in order to make the QEF tax election. The PFIC AIS allows for a QEF tax election to be made for an NBI Fund held directly or for any indirectly held underlying NBI Fund.

We recommend that unitholders consult a professional regarding U.S. tax reporting requirements. Information on the U.S. tax rules applicable to investments in PFICs is also available on the U.S. Internal Revenue Service website ([www.irs.gov](http://www.irs.gov)) by entering “Form 8621 Instructions” in the search bar.

If you have any questions, please contact your advisor or a U.S. tax specialist. Thank you for your support and confidence in NBI Funds.
